I9151/AZ

WATER BASED WHITE SEALER FOR MDF AND WOOD

Product: A white water based sealer for MDF application.

Introduction: I9151/AZ has been studied for internal use to varnish MDF handworks. The resins' nature and the versatility allow to obtain resistance, support adhesion, good sanding and resistance to the over application. It can be over applied with water based products as well as solvent based ones. Sanding is suggested after 8 hours .

Kind of use: MDF panels and different handworks.

Support type: On supports rightly prepared.
